Faculty Position Opening

Institute of Applied Mechanics
College of Engineering, National Taiwan University

The Institute of Applied Mechanics, College of Engineering, National Taiwan University, invites applications for a full-time faculty position. Candidates at the level of Assistant, Associate, or Full Professor will be considered. Successful candidate should demonstrate solid training and innovative research in the broad area of applied mechanics. Those with research fields in connection with novel applications of mechanics in energy technology, smart machinery, biomedical technology, or defense technology are especially welcomed. Proven experience in working with interdisciplinary research team is desirable. Passion in graduate teaching is essential. Candidates must have an earned doctoral degree (or equivalent) in engineering, physics, or related discipline.

Interested applicants should fill out the application form which can be downloaded from the website:
https://www.space.ntu.edu.tw/navigate/s/65B26FB33438441DB5335B94DB7F9C08QQY and send the form with the required documents in electronic files to: Director/Professor Horn-Jiunn Sheen at liucw@iam.ntu.edu.tw. The application materials may also be sent in hard copies to Institute of Applied Mechanics, College of Engineering, National Taiwan University, Taipei, Taiwan 106, Republic of China. Applications should be received no later than December 17, 2019. Applicants should ascertain that three recommendation letters are sent to the Institute by the referees before the deadline.

The National Taiwan University (ranked 69 in the QS World University Rankings), about 33,000 students (half graduate students) and over 2,200 faculty members, is the flagship university in Taiwan. The Institute of Applied Mechanics currently enrolls with over 174 students for master's degrees and more than 27 students for doctoral degrees. Further information about the Institute can be found in http://www.iam.ntu.edu.tw/.
